For additional telephone service questions, please contact AT&T: **SARAH MALONE: sm5476@att.com**

Exhibitors must place an order each year. Exhibitors should not assume they are going to have service if they had it last year. It is very important that you request and receive an order confirmation number from whoever takes your request. You must have this order confirmation number with you at the Show to make inquires about your service with the AT&T field service personnel. Call or email to ensure they received your request and get the order confirmation number.
